1 October 2020

Dear Parent / Carer

As we are now starting to experience wetter and colder weather, could you please ensure that your child is wearing a suitable outdoor coat for school. It would also be sensible for your son / daughter to wear a hat and gloves when it starts to get cold.

Due to the current systems we have in place, pupils will be outside for some of the school day, either lining up to get into school at the start of the day, or after break and lunch times.

A reminder that children should not wear their outdoor coat during lesson time, nor should tracksuit tops be worn. It will be left to the discretion of the classroom teacher to decide whether the wearing of a coat is necessary.

We are managing to keep the year group bubbles apart very successfully, including at break and lunch times. One area that does require improvement is social distancing and the correct wearing of face coverings in communal areas. Please remind your child about the importance of both.

To avoid year groups arriving together at the start of the school day, please ensure that your child sticks to their arrival time, as set out in the information at the start of the term.

A reminder that pupils should be in full school uniform from Monday 2 November. Please see the school website for details.

My sincere thanks for your ongoing support.

Yours sincerely

Mr D R Thompson  
Head Teacher
