

Hebburn Comprehensive School CIAG programme during PSHE sessions

CIAG is delivered as part of the PSHE programme. Additional activities can be found listed in the **Career Progression Framework** and **Career events and activities** documents on the school website.

The CIAG programme is delivered by form tutors with the assistance of the Hodder resources: **Explore PSHE for KS3/KS4 package**. It is delivered under the heading of **'My Choices'**, to compliment the **'My World' (PSHE)** and **'My Money' (Financial capability)** elements of the programme. This programme was launched in September 2020. Some topics are delivered across a number of year groups, adapted to the needs of the year group.
