Dear Parent/Carer

Re: Update on School Closure

Just as we were about to open this morning, part of the roof, including roof tiles, started to fall into the main building, making the school site unsafe.

The decision to close a school is never taken lightly, but the health and safety of pupils and staff is always our main priority.

We currently have a team of builders onsite who are assessing the damage and will carry out a full inspection of the roof to ensure that it is safe. They are hoping to fix the damage today, but I will receive an update later this afternoon on the progress with this.

Whilst we are hoping to be open tomorrow, I will not be able to confirm this until all relevant checks have been done and the school site is safe.

Work today will be set on Teams and pupils should access this in the normal way.

Please keep checking the school website for updates.

Thank you for your patience and understanding.

Yours sincerely

Mr D R Thompson
