Head Teacher	Mr D Thompson	Date:09 December 2021	
Chair of Governors	Mr R Pinder	Date:09 December 2021	

Control over the use of accommodation and facilities at the school rests with the Governing Body. The Governing Body has delegated to the Head Teacher the responsibility for the letting of the school building. The Head Teacher is responsible for approving or declining applications, subject to any directions given by the Governing Body and will issue to the Finance and Buildings Sub Committee of the Governing Body a regular report on the use of premises outside normal school hours.

The Governing Body reserves the right to amend their lettings charges at any time. The decision of the Governing Body shall be deemed final in this matter.

Although the school is not allowed to subsidise lettings, registered organisations which are recognised as educational/cultural and which undertake a regular programme of approved activities may be eligible for preferential rates, at the discretion of the Head Teacher.

School functions and events organised by the Governing Body or Friends of the School Group are exempt from all charges, as they fall outside the scope of letting arrangements.

Lettings will be accepted only upon condition that making the premises available to outside organisations would be convenient and not affect the day-to-day use of the school facilities by its staff and pupils.

In accordance with the Local Government Miscellaneous Provisions Act 1982, a licence is required for events involving Public Entertainment. However, if the activity is limited to staff and pupils of the school, then a licence is not required.

Priority for Lettings

The Governing Body is mindful of the needs in the local area and has carried out an assessment of local needs. This information has been used to assess the priorities for lettings. The following lettings are especially encouraged:

- Educational activities open to school pupils and their families
- Recreational activities open to school pupils and their families
- Activities organised by local community groups for the benefit of the local community
- Lettings to people living in the school's local community
- Lettings to voluntary/not for profit organisations
- Lettings to people with a disability
- Lettings to low income groups
- Lettings to children's groups

The following activities are not considered to be appropriate for lettings as they are either well provided for in the local area; are not deemed to be compatible with the ethos of the school or are not able to be accommodated within the schools facilities:

- Commercial activities with little potential to generate income or support for the school
- Events selling alcohol
- Activities promoting gambling, except for tombola's, sweepstakes or raffles.

Types of Lettings

The Governing Body has agreed to define lettings under the following categories:

- School Lettings for activities for pupils or their parents and carers that provide educational benefit to pupils, which the school wishes to subsidise
- Community Lettings for other community activities

- Commercial lettings will be charged on Application for the hire of the premises should be made to the school on the relevant form, giving as much notice as possible.

All organisations wishing to use school premises should have their own public liability insurance to cover them for any services and activities they provide, and must have their own employers' liability insurance if employing staff or volunteers. The original insurance document should be seen and a copy taken by the school and kept on file.

Booking Procedures

Priority will be given to regular hirers with ten or more bookings each term.

Hire of all facilities will be paid for in advance of their use by the hirer.

Organisations will be required to pay for each occasion booked, unless the booking is cancelled by the school.

Non-Payment

The School Bursar will regularly review the outstanding invoices file to ensure that the school has no long-term debtors.

The School Bursar has the authority to cancel the booking of any organisation that has outstanding invoices owing to the school.

Health and Safety / Fire Safety Regulations

In accordance with the school's Health and Safety Policy and School Fire Safety Regulations, the Assistant Head Teacher (Health & Safety Officer) will explain the above procedures to the representative in operational control of the organisation. This advice will specifically relate to:

- Emergency evacuation procedures
- Fire alarm points and firefighting equipment
- Assembly points and roll call of personnel
- Location of telephone and how to summon the Fire Brigade and emergency services
- Risk Assessment for proposed activity

A written copy of the fire evacuation procedures will be issued to hirers.

The school will retain income derived from lettings, and costs to the school of lettings will be met from this income.

All persons hiring the school premises will be expected to conform to the relevant Health and Safety regulations.
