

We have a pupil voice through our school council

We learn about democracy in our PSHE sessions

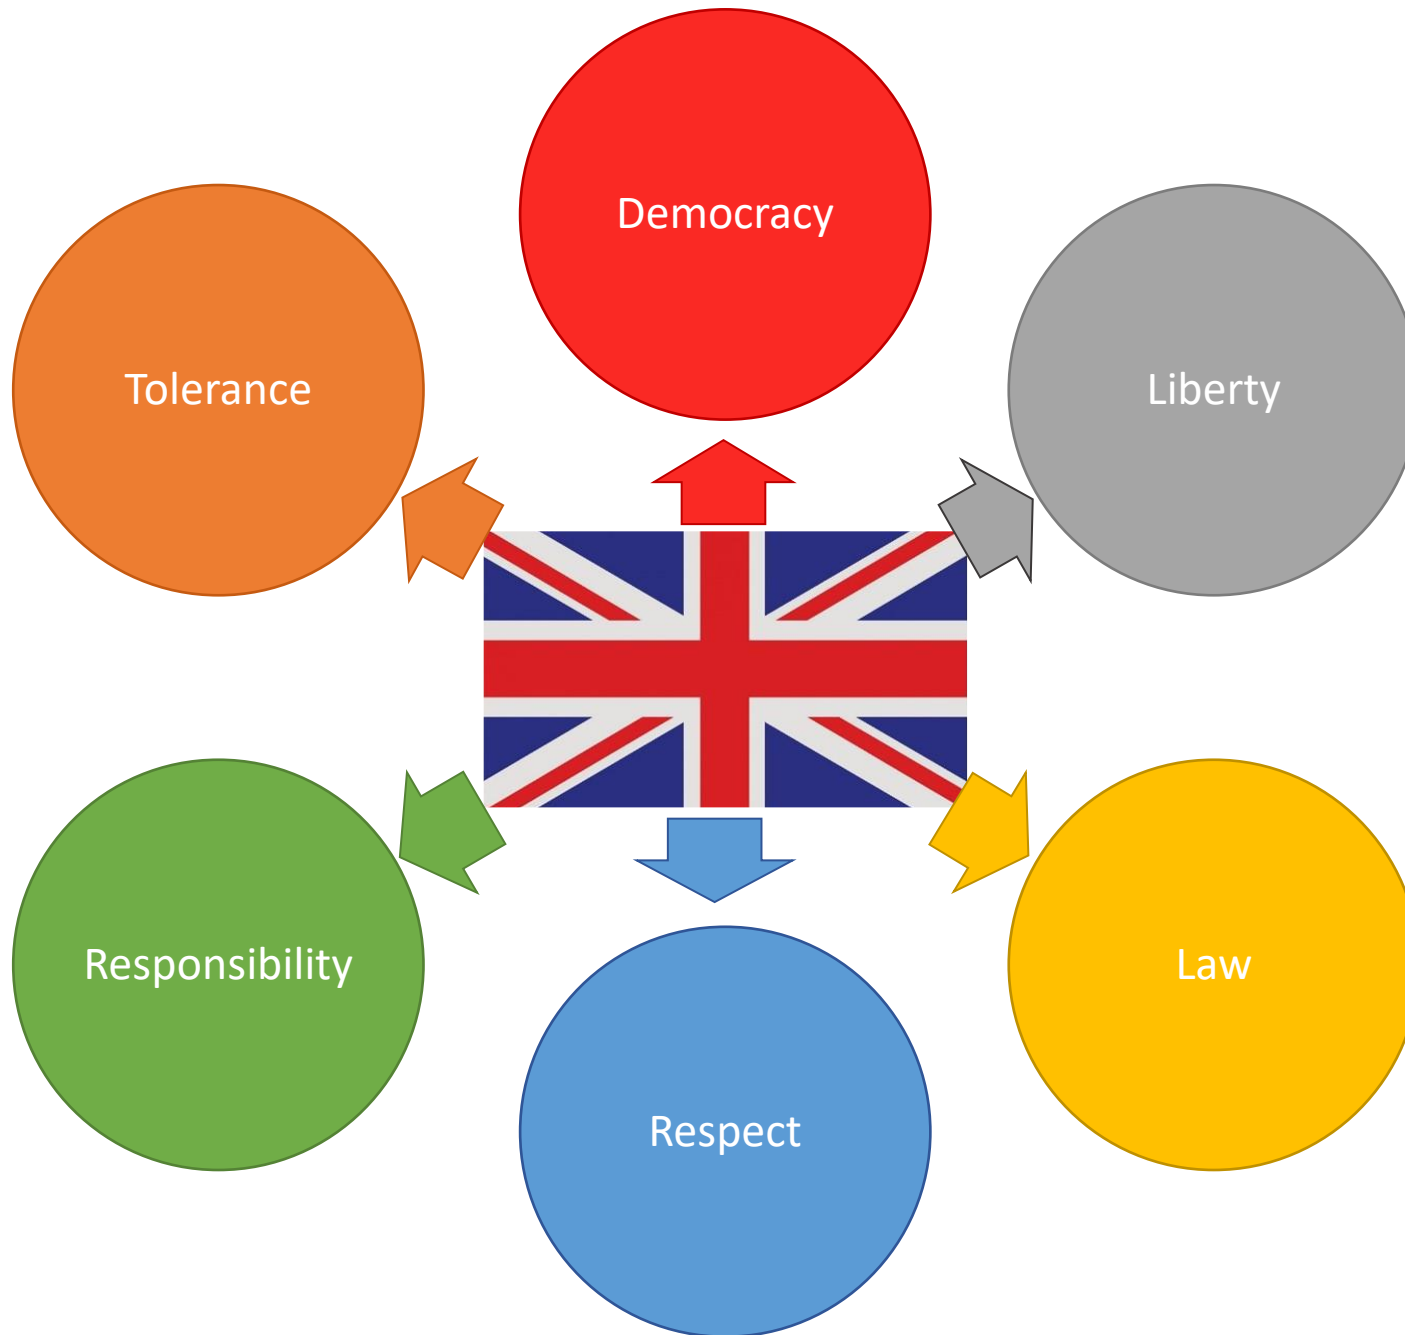

We learn about identity and explore personal belief

We do not tolerate bullying

We respect peoples' choices and celebrate diversity

We understand that we are responsible for our own behaviour and learning

We learn about Human Rights

Tolerance

Democracy

Liberty

Law

Respect

Responsibility

We know that we have the right to make our own choices but the responsibility to respect ourselves with those choices

We have free speech as long as it isn't harmful or abusive to others

We understand that the school rules are used to mirror society rules and should be recognised and followed

We understand that there are consequences for our actions

We understand that we should respect each other and treat each other with kindness

We respect other peoples' opinions and know that our own opinions should not be discriminatory or hurtful
