Dear Parent/Carer

**Re: ARRANGEMENTS FOR YEAR 11 FROM FRIDAY 10 JUNE**

As we approach the third full week of exams, the Programme of Study in an increasing number of subjects is now complete. With this in mind, from Friday 10 June, after the English Language Paper 2 exam, we will be operating a reduced timetable in Year 11.

Please note the following information:

- All students must attend school for all remaining examinations, in full school uniform.
- Where students have examinations remaining, they should continue to attend normal lessons, as crucial revision is still taking place in those subjects. The exam timetable is on the school website.
- Study support will still be on after school until the end of the exam schedule. I would strongly recommend that students continue to attend any additional revision that is available.
- There will be a venue made available in school for independent study/revision.
- The school meals service will be available until Friday 24 June, for any students wishing to stay for lunch. This will be at the normal time of 1.15pm.
- There will be a leavers' assembly at the end of the examination schedule on Thursday 23 June.
- Students will receive their leavers' hoodies after the English Language exam on Friday 10 June.
- When attending school, students should continue to wear full school uniform.
- Following the completion of their final examination, students are no longer required to attend school.
- There are still examinations to sit in Maths, Business, Geography, Media, Science, History, Geography, French and Music.

I wish all students the very best of luck for the remaining examinations.

I will write to parents and carers again in due course.

Yours sincerely

Mr D R Thompson Head Teacher
