Dear Parent/Carer

SCHOOL CLOSURE: MONDAY 22 JANUARY

As you are aware, the school boiler is not working. Following Health and Safety guidelines, the school will have to close until the problem is fixed, as we are unable to operate without hot water. We have engineers onsite trying to fix the issue, and we are hoping to have the problem resolved today, but I will provide an initial update by lunchtime, via our messaging service.

The decision to close the school is never taken lightly; however, the health and safety of pupils and staff is always our main priority.

There will be work available on Teams; pupils should access this is the normal way.

Thank you for your patience and understanding.

Yours sincerely

Mr D R Thompson
