Diversity Festival

During our Summer Diversity Festival, we welcome charities including Show Racism the Red Card; Humankind and Guide Dogs alongside stalls and festival games with the aim to promote diversity and inclusion within our community. We want to celebrate our diverse community, promoting awareness and showing that at Hebburn Comprehensive School everyone is welcome and everyone is valued.

We are now an Anne Frank Link School:

A link school is a school who is committed to challenging prejudice in their school community who would like to commit to working with The Anne Frank Trust over the next three years. By becoming a link school, there will not only be the opportunity for our students to take part in a fully funded education programmes challenging all forms of prejudice, and there will also be the opportunity for your staff to benefit from the exclusive free online teacher training events helping to further support anti-prejudice education in your school. Diana Award

Supported by HRH The Duke of Cambridge, The Diana Award Anti-Bullying Campaign engages young people, parents and teachers to change the attitudes, behaviour and culture of bullying by building skills and confidence to address different situations, both online and offline. At HCS we are beginning our journey towards the Diana Award and pupils in each year group have received training as Anti-Bullying Ambassadors. They will work towards each part of the award, introducing different initiatives and projects.

Pupil Charter

A group of year 9 pupils worked in consultation with the school community to produce a pupil charter. They decided on 5 positive behaviours and 5 negative behaviours. This has been presented to all form classes and is displayed around school.
