The school will not present HE more favourably compared to FE or other technical routes.

By the age of 16, every pupil will be provided the opportunity to have a meaningful encounter with providers of educational opportunities, including sixth forms, colleges, universities and apprenticeship providers.

Careers advice provided by the school will be unbiased and maintain the best interests of individual pupils at all times. The school will not promote particular career or progression routes

as better or more favourable than others; however, pupils will be advised, where evidence supports it, whether a chosen course has the potential to lead to poor career outcomes.

- 12.1. All pupils will be provided with opportunities for personal guidance interviews with a qualified careers adviser. Such interviews will take place by the time the pupil reaches age 16.
- 12.2. Careers advisers will meet the professional standards outlined by the Career Development Institute. The school will integrate personal guidance interviews within the pastoral system so that they can be followed up by the form tutors or equivalent.

- 14.1. Where someone has a complaint about the school's careers provision, such issues will be handled locally in accordance with the school's Complaints Procedures Policy. All complaints will be easy to submit and considered impartially.
- 14.2. Under Section 42B of the Education Act 1997 and the Skills and Post-16 Education Act 2022, the school has a duty to provide pupils in Years 8 to 11 with access to providers of post-14, post-16 and post-18 education and training. This

will provide pupils with additional information about approved technical qualifications and apprenticeships, enabling them to build a picture of the kind of training that may suit them best, ultimately reducing the risk of them dropping out of courses.

- 14.3. All pupils in Years 8 to 11 will receive at least six encounters with accredited providers of technical education and apprenticeships. These encounters will be divided accordingly:

In Year 8 or between 1 September and 28 February during Year 9, all pupils must attend two mandatory sessions by accredited providers.

In Year 10 or between 1 September and 28 February in Year 11, all pupils must attend two mandatory sessions by accredited providers.

The school will be clear on the following:

- Who is to be given access to pupils.

- Information about the provider and the technical qualifications and apprenticeships that they offer
- Information about the potential careers to which those technical qualifications or apprenticeships might lead
- What learning and training with them is like
- Any answers to questions that pupils and parents may have

The school will ensure that provider visits are available to all pupils in the relevant year group and will not do anything which may limit the ability of pupils to attend. The school will not, under any circumstance, restrict invitations to selected groups of pupils or hold events outside of normal school hours.

The school will prepare a policy statement which sets out the circumstances in which education and training providers will be given access to students. This policy statement will be published on the school website and will include:

- Details on how the school will meet the legal requirement to provide six encounters with providers between Year 8 and 11.
- Any procedural requirements in relation to requests for access, e.g. the main point of contact at the school to whom requests should be directed.

- Grounds for granting and refusing requests for access, e.g. details of timetabled careers lessons, assemblies or careers events which providers may attend.
- Details of premises or facilities to be provided to a person who is given access, e.g. rooms and resources.
- How the school will work with each visiting provider.
- A list of providers who have previously visited the school.
- Destinations of previous pupils.
- Details about live online encounters with providers.
- Information on how a provider can raise a complaint and the procedure to go through.

15. Monitoring and review

- 15.1. The Governing Body, in conjunction with the headteacher, SLT link and careers leader, will review this policy on an annual basis, taking into account the success of supporting pupils in accessing post-16 education and training.
- 15.2. The headteacher will make any necessary changes to this policy and will communicate these to all members of staff.
- 15.3. The next review date for this policy is December 2025.

Provider Access Policy Statement

Under Section 42B of the Education Act 1997, as of 2 January 2018, we have a duty to provide pupils in Years 8-13 with access to providers of post-14, post-16 and post-18 education and training. This policy statement sets out how we manage access requests from these providers.

What are pupils entitled to?

Pupils must be allowed to:

- Learn more about technical education qualifications and apprenticeship opportunities, as part of a careers programme which informs pupils of the full range of education and training options available to them at each transition point.
- Hear from a range of local providers about the opportunities on offer, e.g. technical education and apprenticeships – this can be achieved through options evenings, assemblies, group discussions, and taster events.
- Understand how to apply to the full range of academic and technical courses available to them.

What opportunities are provided to allow access to pupils?

Via our school careers programme, we offer providers numerous opportunities throughout the school year to speak to pupils and/or their parents. Our annual schedule of events and career programme is available on the school website.

Management of provider access requests

A provider wishing to request access should contact Mrs Annette Spark, Careers Co-ordinator

Email: sparka@hebburn.net Tel: 0191 4833199

Our Safeguarding and Child Protection Policy sets out the school's approach to allowing providers into school to speak to our pupils.

What can providers expect once a request has been accepted?

Once we have approved a provider, we will work with them to identify the best method for providing access to our pupils.

We will make the school hall, classrooms, and private meeting rooms available to host discussions between providers and pupils. We will also make presentation equipment, such as projectors and televisions, available to providers.

Arrangements will be discussed in advance between our career's leader and a nominated member of the provider's team.

Can providers leave prospectuses for pupils to read?

Providers are welcome to leave a copy of their prospectus and other relevant course literature with the careers lead.
