Dear Parent/Carer

Re. Arrangements for Year 11

As students in Year 11 start their full examination schedule, I am writing to outline arrangements for May and June 2026.

- All students have an exam timetable and are aware of seating arrangements. Please encourage your child to check their exam timetable each day.
- For morning exams, pupils must be in school from **8.15am**, for morning revision, in advance of examinations starting at **9.00am**. For afternoon exams, pupils need to check their exam timetable and report to the main hall 10 minutes before the start time.
- We will be running some before school sessions during the exam schedule, as well as the normal revision sessions after school.
- The final assembly for Year 11 will take place on the morning of Wednesday 10 June after Maths Paper 3. Students will be in school as normal until then.
- There are exams remaining after 10 June; both lessons and revision sessions will continue in those subjects.
- All students must attend school in full school uniform for both lessons and examinations.
- When the leavers' hoodies arrive in school, we will hand them out to students.

The school meals service will be available until Friday 26 June, for any students wishing to stay for lunch. This will be at the normal time of 12.15pm and 12.05pm on a Friday.

Following the completion of their final examination, students are no longer required to attend school.

I wish all students the very best of luck.

I will write to parents and carers again in due course.

Yours Sincerely,

Mr D R Thompson
Head Teacher
